Pan-Tilt Motor		
		
YP3040 Pan-Tilt Motor can be used with AXIS Q1755, AXIS Q1910/-E and AXIS Q1921 cameras to enable basic pan and tilt capability. The motor can be mounted on walls, both indoors and outdoors.		
	5502-461	\$499

AXIS T8310 Video Surveillance Control Board

AXIS T8310 Control Board is a modular system comprising of AXIS T8311 Joystick, which gives accurate control of PTZ functions of network cameras; AXIS T8312 Keypad, used for navigating between workspaces, cameras, views and PTZ presets; AXIS T8313 Jog Dial, used for navigating through recorded video. Each unit can be purchased and used separately or together.

5020-001 \$1149

AXIS P7701 Video Decoder

AXIS P7701 Video Decoder provides a simple monitoring solution by enabling analog or digital monitors to connect to and display live video from Axis network cameras and video encoders.

0319-004 \$499

AXIS P8221 Network I/O Audio Module

AXIS P8221 provides eight I/O ports and audio capabilities to a network video surveillance system that either does not have such support or requires additional support.

0321-004 \$349

AXIS T8412 Installation Display

AXIS T8412 is a battery-powered handheld device that greatly simplifies the field installation of both Axis network cameras and analog cameras. It displays live video from a camera and makes setting the viewing angle and focus at the installation site easier.

5018-004 \$649

AXIS Q8108-R Network Video Recorder

AXIS Q8108-E is an 8-channel network video recorder (NVR) specially designed for public and commercial transportation applications. It provides uninterrupted in-vehicle recording in full frame rate HDTV resolution for up to 8 connected cameras.

0332-031 \$3799

Axis network camera housings

Axis Certification Program

Take the challenge! Showcase your expertise in network video with the global standard for individual certification from Axis. Register for the Axis Certification Program - then pass our advanced-level test to become an Axis Certified Professional.

Axis offers both online and classroom-based training to help you acquire the knowledge needed to pass the exam. Go to www.axis.com/certification to find our online learning center and for more information on how to register.

Rack Solutions

Designed for high-density installations, Axis video encoder rack solutions accommodate multiple video encoder blades in the same rack.

Video management software

AXIS Camera Station			AXIS Video Hosting System	
AXIS Camera Station is a complete monitoring and recording system that is perfect for small- to mid-sized installations. It offers easy installation and setup with automatic camera discovery, a powerful Configuration Wizard and efficient management of the Axis network video products in the system.			AVHS enables a hosted monitoring and recording service to be managed and distributed to you by a service provider. With an Internet connection and an Axis camera as the only requirements, you can enjoy a trouble-free monitoring solution over the Internet. <i>For more information visit www.axis.com/hosting/</i>	
10-camera base license	0202-004	\$999	AXIS Camera Station One	
4-camera base license	0202-054	\$649	Software solution for viewing and recording live video from a single Axis network camera. Available for free download.	
20-camera add on license	0202-264	\$1979	<i>For more information, visit www.axis.com/products/video/software/</i>	
5-camera add on license	0202-014	\$499	AXIS Mobile Monitor	
1-camera add on license	0202-034	\$99	AXIS Mobile Monitor software enables smartphones or Pocket PCs to quickly and easily access live video from Axis network video products. Available for free download.	
1-year software upgrade	0202-024	\$149	AXIS Camera Application Platform	
AXIS Camera Management			AXIS Camera Application Platform enables compatible applications, typically intelligent video applications, to be downloaded to Axis network video products.	
Powerful and efficient installation and management tool for Axis network video products. Available for free download.				
Axis' Application Development Partners				
A wide variety of software solutions for video surveillance, remote monitoring or broadcasting are available from more than 800 Axis Application Development Partners.				

About Axis Communications

Axis is an IT company offering network video solutions for professional installations. The company is the global market leader in network video, driving the ongoing shift from analog to digital video surveillance. Axis products and solutions focus on security surveillance and remote monitoring, and are based on innovative, open technology platforms.

Axis is a Swedish-based company, operating worldwide with offices in more than 20 countries and cooperating with partners in more than 70 countries. Founded in 1984, Axis is listed on the NASDAQ OMX Stockholm under the ticker AXIS. For more information about Axis, please visit our website at www.axis.com.
